

## **Personal Care Services**

Personal care is generally offered 1-2 times per week for one hour visits and depending on the consumer's needs may involve:

- Bed bath, tub bath, or shower;
- Hair care, nail care, mouth/denture care, shaving
- Assistance with dressing.
- Laundering bed linens and bath towels

### Cost share

- Consumers may be required to pay a portion of the cost
- Amount is based on consumer's monthly income and the state's cost-share scale
- Invoices are mailed monthly
